

## From **Our Clients**

“

***Anthony, Thanks for all your help. Bill and I were pleased and felt very confident with you and Greg as experts. It seems the prosecution did not feel so confident and we were offered a disposition which will result in a dismissal of charge. We'll talk again about future cases.***

— Craig Fleischer, Attorney at Keahon, Fleischer & Ferrante, New York, NY

“

***Thanks so much for your help. You have all been very easy to work with, and David seemed very pleased with your services.***

— Kimberly Lancaster, Federal Public Defender, Southern District of West Virginia

“

***I appreciate the knowledge that Greg and Damon possess, and your ability to communicate it in a way that is understandable. Your work is top-notch, and I look forward to working with you again soon.***

— Betty White, Paralegal, Sebally, Shillito + Dyer LPA, Dayton, OH

“

***Your contributions to the field of computer technology and e-discovery are truly commendable and have impacted how businesses and government retain and produce electronic records. You should be proud of your role in establishing and shaping this new industry.***

— Mary Taylor, CPA, former Ohio Auditor of State & Lieutenant Governor of Ohio

“

***I thought your testimony was fantastic, credible, and the opening we needed to introduce the opposing side's misappropriation and other bad acts. Thanks again.***

— Justin Beyer, Attorney, Seyfarth Shaw LLP, Chicago, IL

“

***My team and I were even more impressed with Vestige when we visited and got the tour from Greg & Damon. Glad to see your vision and hard work recognized... Continued success!***

— Janet Day Lawson, former VP / Director, Global Information Technology, Invacare, Elyria, OH

***Am I missing anything at this point? Working with you seems remarkably easy.***

— James B. Thelen, Chief of Staff and General Counsel at University of Maine System, Augusta, ME

***Thanks again for all the work you did on our file. Hiring your firm was a very good decision on our part. We will not hesitate to use you again in the future.***

— Mike Schroeder, Attorney at Law | Partner, Gioggre & Schroeder LPA, Cleveland, OH

***I hope you're not going to base your corporate billing procedures on a "Value Added" scenario.***

***I might owe you a million dollars if so. Great job you guys.***

— Mike Fidelholtz, V.P. of Marketing & Business Dev, Form Tech Concrete Forms, Detroit, MI

***The records and evidence uncovered by your organization proved to be the decisive factor in the litigation, and gave our organization tremendous leverage in the settlement process.***

— Christopher S. Miller, CEO at Conrad Kacsik Instrument Systems, Inc, Solon, OH

***That work you did for us - that guy ended up pleading guilty to criminal charges including arson and insurance fraud.***

***So that's a pretty good deal. Thanks for your help. Vestige did an outstanding job!***

— Bruce Shuck, Investigator, Westfield Insurance Group, Parkersburg, WV

***There is no way we would have been able to achieve compliance to the requirements of both NIST and the annual cybersecurity questionnaire without Vestige.***

***You skillfully guided us on how to meet & verify compliance, helped with remediation on specific requirements we had yet to meet, and conducted the required training, and continue to do so annually.***

— Cheryl Doell, VP Office Operations, PMI Industries, Inc, Cleveland, OH
