

EMDiS Center at CSU and NEOCC presents:

Cybersecurity Forum - Succeeding in Your CMMC Journey

Thursday, April 27th, 2:00-4:00pm

Levine College of Public Affairs and Education – Steinbacher Atrium
(1717 Euclid Ave, Cleveland, OH 44115)

Refreshments and networking to follow, 4:00-6:00pm

The **EMDiS Center** at Cleveland State University and **Northeast Ohio CyberConsortium (NEOCC)** will be hosting a cybersecurity forum focused on updated CMMC requirements for the Department of Defense supplier network. With multiple speakers of industry experts and a panel discussion featuring a variety of professional perspectives, this in-person session will clarify many aspects of CMMC and what it means for your company and its operations.

Agenda:

- 2:00pm Welcome and introduction
Jeff Brancato – Executive Director of NEOCC
- 2:10 Regional Cybersecurity Update (20min)
Mike Gerfin - FBI Cleveland
- 2:30 Manufacturing x Design (MxD) – Department of Defense CMMC update (20 min)
Laura Élan – Director of Cybersecurity
Cyberbox Demo - Brian Townley (20min)
- 3:10 Break (10 min)
- 3:20 MAGNET Resources for SMMs – Mike O’Donnell, VP of Operations
- 3:30 Panel and Open Discussion/Q&A around CMMC (40 min)
Moderator – Jeff Brancato
Damon Hacker – President & CEO, Vestige Digital Investigations
Billy Heiser – Director, Global Information Security, Lincoln Electric
Aaron Shaffer – WLS Companies
Steve Stransky – Partner, Thompson Hine LLP
- 4:15- 6:00pm Networking Reception
