

Anthony **Adamic**, BS, AA, DFCA Forensic Analyst at Vestige

Anthony Adamic joined Vestige Digital Investigations in 2019.

He first interned at Vestige during college. After graduation, he was hired as a Digital Evidence Specialist then promoted to Forensic Analyst in 2020. In this role, he is responsible for analyzing, testing and reporting on Electronically Stored Information (ESI) on digital devices from clients, opposing parties, and third parties.

Anthony is knowledgeable of both the technical and the legal aspects of Digital Forensic matters. To assure accurate outcomes, the Scientific Method of Testing is applied to each case. He works closely with clients throughout the forensic process and provides exceptional reporting. This includes memos, verbal report of findings, or written Expert Report.

Anthony graduated cum laude with dual degrees. He earned a Bachelor of Science Degree in Digital Forensic Science and an Associate of Arts Degree in Criminal Justice from Defiance College in Defiance, OH. He also holds the certification as a Digital Forensic Certified Associate (DFCA) through the national Digital Forensics Certification Board.
